

Rosa Roxburghii Extract

Trademark: TiRoxC®

Common Name: Sweet Chestnut Rose, Chestnut rose

Botanical Source: *R. roxburghii*

Botanical Part Used: Fruit

Specification: 17% VC; 10000U/g SOD; 15% Polyphenol

Solubility test

10g-100ml cold water

WHY TiRoxC®

· Compared with other VC fruit

Less pesticide residues, higher nutrition

Per 100g fresh fruit, VC \geq 2000mg, 40 times than kiwi, VP \geq 2500mg, SOD \geq 10000U

· Compared with synthetic Vitamin C

Natural VC ingredients, synergistically effect with VP, SOD, etc., have higher absorption rate and anti oxidant capacity.

· Compared with concentrated juice

Rich in active ingredients, easy to keep and transport in powder form.

Product Application

Functional Drink

Energy Drink

Solid Beverage

Cosmetics
